Karmoo Brahmans - *WFA*

It is with great pleasure and excitement that we extend the warmest welcome to you for our 5th Annual Bull Sale. This is a testament to our enduring dedication to breeding quality Brahmans, where we place a strong emphasis on fertility, conformation, longevity and temperament.

This year, we are honoured to showcase a carefully selected group of Brahman bulls which have once again all passed our sale standards including 2 semen evaluations. Each bull represents our passion for excellence in livestock genetics, fertility, longevity and ongoing efforts to serve the needs of our valued clients.

Furthermore, we pride ourselves in maintaining a herd that thrives both with a high 'calf on the ground' percentage and 'minimal assistance required' for productivity. With calving/weaning percentages of 86% for the last 2 years running, through a tough environment toward the end of last year, we stand by this herd to produce for our clients.

We are also pleased to announce the addition of a selection of purebred brahman commercial breeder heifers to the sale this year. These heifers have been chosen with great care to complement our bull lineup and provide added value to your breeding programs.

We invite you to join us for this special event, where you can interact with fellow breeders and explore our offerings. Your presence and support mean the world to us, and we look forward to sharing this occasion with you.

Here's to an enjoyable day,

Lance, Sonia and Kirstin Faint.
